

WAFLT Awards Nomination Form

Every year WAFLT recognizes from its membership people who excel in one of our award areas. How do we know about these wonderful people? It is because someone takes the time to nominate them! Please submit as many nominees as you would like. Make copies of the descriptors and the nomination form for a colleague, department chair, principal, superintendent, dean, or community member to make a nomination, too!

Please return this form to any board member or mail to:
